New Terms for 2016 shown in RED

I. **Membership**

- a. Membership in the IERA shall cover a period commencing January 1, or date purchased thereafter, and concluding December 31 in the given membership year. Membership must be applied for at or before and event to receive points for that event; mail-in applications will use the postmark date as the official sign up date. Membership shall cost:
 - i. \$20.00 per year for applications mailed to the membership director
 - ii. \$25.00 per year for applications completed at an event
 - 1. Club hosting event to retain \$5 of this fee
 - iii. \$10.00 per day for a single day, non-points membership
- b. A membership card will be issued by the membership director; this card should be presented at all IERA events. If a membership card has not yet been received before a given event, a list of pending memberships will be sent to the sponsoring club of any upcoming events.
 - i. In the event a name cannot be located on the pending memberships list, the participant will be required to sign up again. If it is later determined a membership form had already been submitted, a refund will be issued by mail.
- c. To ensure quick and accurate event scoring, it is the rider's responsibility to provide the sponsoring club with all pertinent data. This shall include as a minimum: rider name, class designation, machine brand and displacement, IERA membership number and rider signature.
- d. If a member writes a check with inadequate funds they will be given 30 days to repay the club or IERA, including any insufficient funds fees incurred. Failure to repay will result in zero points being paid for the event and IERA membership being revoked for the remainder of the season.
- e. Membership can be terminated at any time, without notice to member, by a majority vote of the IERA officer team.
- f. Any member that participates in 100% of the Hare Scramble events for the prior year will receive a free IERA membership for the following year. Throw-outs cannot be used; participation in each event is required.

**** Overall A, B, C will be eliminated for the Hare Scramble series starting 2016**

- ii. A rider may obtain an average score if he/she stops during a Hare Scramble or Enduro to assist a seriously injured rider. The stopping rider must remain with the injured rider until medical attention arrives or a sponsoring club member takes over the injured rider's supervision.
1. The stopping rider must petition the IERA President and corresponding Points Steward to receive an average score for the event.
- iii. To determine a tie breaker:
1. Compare the number of 1st, 2nd, 3rd, etc. finishes including throw-outs if necessary, awarding to the person with the best placing finishes.
 - a. Worked events shall not count as finishes.

2. Compare which rider won the last head-to-head race, awarding to the person with the most recent head-to-head win.
 3. Compare the most recent finish of each rider, awarding to the person with the highest most recent finish.
 4. Compare the most recent participation date for each rider, awarding to the person who has most recently competed in an event within the same series.
- iv. A club member that helps layout and/or work at the club/promoter Hare Scramble or Enduro event will receive 25 points for the first event worked, after approval from the sponsoring club. For any additional events worked, the member will receive average points.
1. Member must be a club member 30 days prior to the event to receive worker points.
 2. To figure average points, riders will take total points scored this season divided by total events rode this season.
 - a. Averages of any kind will not be included in the calculation
 - b. DNF's will be included in the calculation.
- v. Series points will only be kept for a rider in one class determined by the class in which the rider competes in the most events during the season.
- vi. A rider's final class and overall standing will be based on their best accumulation of points from races participated during the current season. The formula will apply to the total events actually held during the season and not necessarily the number of events scheduled at the beginning of the year.
