2027	River Valley Trail Riders

- C. The traveling trophy for each series should be gathered from the previous recipient, updated with the current winner, and provided at the awards banquet.
- D. Amount spent on awards should be split between the Hare Scramble and Enduro series based on the number of events held in each series during the season.

#### **Article VI – Clubs**

[\[Back to Table of Contents\]](#)

- A. Clubs wishing to become part of the IERA series shall complete a membership application and submit to the Membership Director along with a \$25.00 application fee.
  - a. Club applications will be reviewed and approved or denied at the annual rules meeting.
- B. A club contact form must be completed and submitted annually at the rules meeting.
- C. In order to establish funding for the annual awards banquet, clubs must remit \$2.00 to the IERA for each participant of their event.
  - a. The fee must be paid for both IERA members and non-members.
- D. Funds due to the IERA, final scores and all other required documentation shall be postmarked and mailed to the Treasurer within 14 days of the event's conclusion.
  - a. In addition to final scores, clubs must submit the top 30 riders overall in both the A and B classifications at each enduro event.
- E. Clubs must recognize and execute any IERA programs such as series sponsorship fulfillment.
- F. For points to be awarded for an event, the club must provide evidence of insurance to the Secretary.
- G. Scheduling of an IERA event must be completed prior to May 1 of the current season.
  - a. Event date can be changed by submitting written notification to the IERA Officer Team at least 60 days prior to the new event date.
  - b. **Two Events, regardless of race type, cannot occur on the same weekend. If, due to delay (weather), the same weekend is the only option the two hosting clubs must both agree. If both clubs agree to this change, it will then go to a popular vote amongst all active IERA clubs. If the clubs hosting do not agree on this or the final vote is not approved, then the club originally hosting would have priority. The club rescheduling must choose a different date or cancel their event for the season.**
  - c. Weather cancellations/rescheduling is exempt from the 60-day rule.
- H. Clubs may not sponsor a points paying event of more than two hours in length. At the club's discretion, the B and/or C class may be 1.5-2 hours in length.
- I. Clubs shall rotate the responsibility for hosting the annual banquet based on the schedule determined at the annual rules meeting.
- J. Any new event must have a track length of at least 4 miles to promote safety.
- K. It is recommended that spectators under the age of 10 be admitted free to all events.
- L. It is recommended that races be started with a whistle or air horn due to gun misfiring issues.

- M. To be qualified to vote on any topic, a club must have held an event within the previous 24 months.
- N. Failure to comply and/or behavior reflecting poorly of the IERA series can result in penalties ranging from a \$100.00 fine to termination of club approval.
- O. Hosting clubs are responsible for providing all pertinent information on the IERA website no later than 2 weeks prior to the start of the event. The penalty for non-compliance with this requirement will be determined by the IERA officers. All clubs have access to the website to update and/or change their event's information. If a club is unable to log into the site to update information, contact the IERA webmaster for assistance. At a minimum the club must provide the following information:
- Date of the event
  - Start times for each race on the day of the event
  - Specific address or GPS coordinates of the event
  - Cost of the event (Both gate fee and & registration fee(s))
- P. IERA Clubs are limited to 2 events in a calendar year. This is for both Hare scrambles and enduros. Confirmation of applicability to this rule will be based upon the insurance coverage for said events. Clubs who do not follow this rule, will not be allowed to host an event the following season.

- G. If two trail markers are posted opposite each other, a rider must pass between the markers.
- H. Electronic scoring will be required at all IERA hare scrambles. The club putting on the event will be responsible for scoring. The IERA does not specify a specific system to be used; only that the system utilized must be electronic **scoring**. **All clubs must provide an Excel spreadsheet of the results to include the following within 1 month of the completion of the event:**
- a. **Name, Bike, Number, Class Place, Overall Place, Individual lap times, and Overall Lap Times.**
  - b. **Failure to provide the above required information in the required format will result in that club being fined \$500 per event in which it does not follow these requirements. Examples of the above requirements are readily available upon request.**
- I. The following are options to clubs for electronic scoring. Clubs are not limited to these options and are encouraged to utilize a system that fulfills the hare scramble scoring requirements and is best suited to that club.
- a. LiveLaps – NFC or RFID
  - b. Rent the Current System - \$500 deposit required at time of equipment pickup. \$300 back when all the equipment is returned in good working order. Any missing or damaged equipment will be invoiced to the club accordingly.
  - c. Hire a scoring contractor. The scoring contractor must provide all requirements as outlined in rules G. a. & b. Clubs are wholly responsible for all costs & terms with the hired scoring contractor for their event(s).
- J. If the club scoring official determines a rider has deliberately or accidentally shortcut any part of the established race course, the rider shall be penalized as follows:
- a. **Deliberate**: Add 5 minutes for the first minute gained and 10 minutes for each minute gained thereafter.
  - b. **Accidental**: Detain racer on the next lap for a period of time equal to that gain by the shortcut, plus two minutes. If the shortcut takes place on the final lap, the time gained will be added to the ending time.
- K. No rider shall pass another rider while in the scoring area, unless a rider has fallen and can be safely maneuvered around.
- L. Once the checkered flag is given, riders still on the course shall be given one hour to complete the current lap under their own power.
- M. All riders will be assigned a three-digit number sticker that will be placed on both sides of the helmets to be used for back up scoring.

- N. The Hare Scramble series will be limited to 12 events in the season. Eight named legacy clubs will be given the opportunity to host 1 Hare Scramble event per year. Once legacy clubs are provided this opportunity, the remaining slots will be determined by a random lottery drawing. If all clubs are given a race and there are still available slots remaining, a second round within the lottery will be conducted for those clubs wishing to host a 2<sup>nd</sup> Hare Scramble. No Single club will be allowed to host greater than 2 events per year per article VI.P. Confirmation of applicability to this rule will be based upon the insurance coverage for said events.
